

FULL PERFORMANCE WARRANTY

ENERGY CONTROL, INC., the manufacturer of CELLULOSE INSULATION, warrants (so long as current ownership of the structure is maintained), that this insulation, when installed according to our specifications by an ENERGY CONTROL CERTIFIED DEALER, will retain the following physical characteristics:

- FIRE RETARDANCY
- NON-CORROSIVE COMPLIANCE
- THERMAL RESISTANCE
- DENSITY
- MOISTURE ABSORPTION LIMITS
- FUNGI RESISTANCE COMPLIANCE
- PERMANENT CHEMICAL TREATMENT

The representation of retained characteristics will be according to specifications applicable on the date of manufacture. In the event ENERGY CONTROL CELLULOSE INSULATION fails to retain the above physical characteristics, ENERGY CONTROL, INC.'s responsibility is limited to repair of any physical damage caused as a result of documented and proven failure and is further limited to the replacement of such defective material. ENERGY CONTROL shall not be responsible in those instances where installation does not conform to recommendations and specifications made by ENERGY CONTROL, INC.

ENERGY CONTROL, INC. is not liable for incidental or consequential economic damages (other than as stated above) resulting from any breach of this warranty. ENERGY CONTROL, INC. shall not be responsible for any implied warranties nor any express warranties not hereinabove set forth.

ENERGY CONTROL CELLULOSE INSULATION is manufactured under a rigorous quality control program designed to realize and surpass the highest standards of the industry. ENERGY CONTROL CELLULOSE INSULATION meets or exceeds current specifications in force at time of manufacture.
