

CUSTOM MANUFACTURERS OF CELLULOSE INSULATION

Energy Control Cellulose Insulation

Manufacturer's Certification Statement

In compliance with the Energy Policy Act, Energy Control, Inc. issues the following Manufacturer's Certification Statement for cellulose insulation products:

MANUFACTURER: Energy Control, Inc.
804 West Mill Street
Ossian, IN 46777

MATERIAL TYPE

Energy Control brands of cellulose insulation are products used for the reduction in heating and cooling energy consumption and the lowering of air-infiltration in building component systems.

IDENTIFIERS

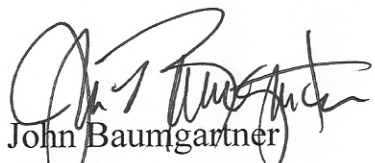

For purposes of this statement, Energy Control manufacturers product under the brand names, ECI II, Forest Wool, Pro Home and EC3 cellulose insulation.

QUALIFIERS

This material is an Eligible Building Envelope Component that qualifies for the credit allowed under article 25C of the Energy Policy Act, and the American Recovery and Reinvestment Act (H.R.1) section 1121.

DECLARATION

Under penalties of perjury, I declare that I have examined this certification statement and to the best of my knowledge and belief, the facts are true, correct and complete.
